

GRAND ISLAND LUTHERAN HIGH LIGHTNING

"May the God of endurance and encouragement grant you to live in such harmony with one another, in accord with Christ Jesus, that together you may with one voice glorify the God and Father of our Lord Jesus Christ." Romans 15:5-6

As we begin a new semester at GILH, it is important to recognize the great work that our students did during first semester. We had 63 students achieve the honor roll. This is a testament to the values that our students hold, as well as to the incredible teachers who are not only educating our students, but also instilling in them characteristics they will carry forever. Our teachers also faithfully integrate the Gospel into our curriculum, reminding us that "Whatever you do, work heartily, as for the Lord and not for men" (Colossians 3:23, ESV).

Great things are happening each and every day at Grand Island Lutheran High, and as we celebrated National Lutheran Schools Week, it was a great reminder of the blessing that having a Lutheran education in our community truly is.

Lightning SPOTLIGHT

Meet Our **TEACHERS**

Mrs. Chelsey Liess is our English teacher. She and her husband Kevin live in Grand Island and have 3 children. She loves all things water-related; sun, beaches, summer, and the smell of sunscreen! Mrs. Liess's favorite part of teaching at Lutheran High is the students. She said the students are like bonus kids in a big school family. One piece of advice that Mrs. Liess likes to give students is that you don't have to be perfect. It is great to have high expectations of yourself, but one bad grade doesn't ruin the whole year, and one bad day doesn't usually change your whole life. Embrace the fun parts of school too while still achieving great things. The memories will be the part you take with you into adulthood. Work hard and be nice!

Student **VOICE**

Ema Koch is a Senior this year at GILH. Her favorite part of school so far this year has been the basketball season. She said that not only is it her favorite sport, but she loves how her teammates all get along so well and have fun together. Ema loves the environment at school and the culture here. When asked what she would tell a student who is thinking about coming to GILH, Ema said it's amazing here. It feels like one big family. The teachers are understanding, and it's so easy to get involved in so many things!

ALUMNI SPOTLIGHT

Ethan Reynolds is a 2023 HLHS graduate. He is currently attending Concordia Seward where he is majoring in Elementary Education with an endorsement in Middle Level Math and getting his Lutheran Teaching Diploma. Ethan was recently engaged to his fiancé, Tayley! In high school, Ethan really enjoyed Art Class with Mr. Barnes and Theology with Mr. Krall. When asked what advice he would give to current students, he said, “don’t sweat the small stuff. Sometimes you just have to figure things out as you go!”
